

German & French Nationality
Born in 1980
Single mother of 2 children (born in 2006 & 2008)

Dr. Judith Nora HARDT
curriculum vitae

Professional address: Centre Marc Bloch , Franco-German Research Center for the Humanities and Social Sciences (CMB), Friedrichstraße 191, D-10117 Berlin
Email: judith.hardt@cmb.hu-berlin.de & judith.hardt@posteo.de
Phone: +49(0) 30/20 93 70723 / (0)15146190211

LANGUAGES

German (native language); French (native language); English (fluent, spoken & written); Spanish (fluent, spoken & written); Basque (basic)

EXPERTISE

Critical International Relations and Political Theory; Security Studies; Peace & Conflict Studies; Global Governance; Anthropocene Studies; Climate Politics and Climate Security

Current Situation

- Since 2019 Postdoctoral researcher, Centre Marc Bloch, An-Institut Humboldt-University Berlin
- Since 2023 Co-lead of the project "Climate Politics and Research in Metropolitan Areas in the Context of the Urgency of Multiple Crises: Engagement of Civil Society and Transnational Cooperation (Berlin-Brandenburg / Paris-Ile de France / Kiev and surroundings)", CMB. Funded by the Climate Change Center Berlin Brandenburg (CCC), 1 year, at: <https://cmb.hu-berlin.de/forschung/forschungsschwerpunkt/umwelt-klima-energie-gesellschaften-und-ihre-oekologischen-herausforderungen/default-44fd672450>
- Since 2022 Responsible of the CMB-research focus "Environment, climate change, energy: Societies and their ecological challenges"
- Co-lead of the project "Energy and Climate Politics in Berlin-Brandenburg in Times of Multiple Crises", CMB. Funded by the CCC, 4 months
- Since 2021 Project leader "Multiple Crises: Covid 19 and the Entanglements of Public Health, Ecology and Security in Europe", CMB. Funded by the German Ministry of Research and Education (BMBF), 3 years, At: <https://cmb.hu-berlin.de/en/research/research-focus/the-state-political-norms-and-political-conflicts/bmbf-multiple-crises>
- Responsible of the CMB-research team within the CCC
- Member of the Global Jury of the International Science Prize on Peace and Ecology in the Anthropocene, At: http://hgb-stiftung.org/html/Global_Jury.html

- Since 2020 Associated to the Institute for Peace Research and Security Policy at the University of Hamburg (IFSH), Germany
- Member of the Advisory Board of Scientists for Future (S4F)
- Since 2019 Associated at the Environmental Peacebuilding Initiative, Irvine, US & Planet Politics Institute
- Since 2017 Associated to the research group “Climate Change and Security” at the University of Hamburg (CLISEC), Germany

Past Positions

- 2019-2020 Project leader “Climate change in security perceptions, conceptions and practice at the United Nations Security Council” (CLISEC UNSC), IFSH. Funded by the Federal Foreign Office of Germany, At: <https://ifsh.de/en/research/climate-research/climate-change-and-security-in-the-un-security-council>
- 2018 Postdoctoral researcher, research group “Climate Change and Security,” Center for Earth System Research and Sustainability (CliSAP), University of Hamburg, Germany
- 2016-2018 Postdoctoral research fellow, Institute for International Cooperation and Development Studies, University of the Basque Country, Leioa, Spain
- 2015-2016 Lecturer for Nature Conservation, Socioeconomics and International Relations, Eberswalde University for Sustainable Development, Eberswalde, Germany
- 2015 Research fellow, Geography Department, Humboldt-University Berlin, Germany

EDUCATION

- 2014 Dr. phil. (PhD) International Relations, Grade: Summa cum laude, University of the Basque Country, Leioa, Spain. Funded by 4-year grant from the Ministry of Science and Education, Basque Government
- 2009 Diploma de Estudios Avanzados (DEA as equivalent M.A.) “Cooperation, Integration and Conflicts in Contemporary International Society,” University of the Basque Country, Leioa, Spain
- 2005 Bachelor of Science “International Forest Ecosystem Management”, Eberswalde University for Sustainable Development, Eberswalde, Germany

FELLOWSHIPS AND AWARDS

- 2023 „Climate Politics and Research in Metropolitan Areas in the Context of the Urgency of Multiple Crises: Engagement of Civil Society and Transnational Cooperation (Berlin-Brandenburg / Paris-Ile de France / Kiev and region)“, CCC-project, 12 months, 64.600 €
- 2022 „Energy and Climate Politics in Berlin-Brandenburg in Times of Multiple Crises“, CCC-project, 4 months, 30.000 €

- 2021-2024 “Multiple Crises: Entanglements of Public Health, Ecology and Security in Europe”, German Federal Ministry of Research and Education (BMBF), 3 years, 336.650 €
- 2019-2020 “Climate change in security perceptions, conceptions and practice at the United Nations Security Council”, German Federal Foreign Office, 11 months, 125.000 €, broad network of local partner scientists, At: https://ifsh.de/file/research/project_documents/20200618_Overview_Partner_Scientist_Clisec_UNSC.pdf
- 2019 GAIA Best Paper Award for S4F publication, At: <https://www.oekom.de/publikationen-zeitschriften/best-paper-award/c-132>
- 2018-2019 Agatha-Lash Coaching, University of Hamburg, twice 12 months
- 2018 Return-to-Research-Scholarship Holdership at the Cluster of Excellence (CliSAP) “Integrated Climate System Analysis and Prediction”, University of Hamburg, 12 months
- Wissenschaftszentrum Berlin für Sozialforschung (Berlin) & FMSH (Paris) fellowship “Changing Societies”, Paris, France, 3 months
- 2007-2011 Dissertation grant, Ministry of Science and Education, Basque Government, Bilbao, Spain, 4 years
- 2006-2008 2 year mobility grant, University of the Basque Country, Bilbao, Spain

PROFESSIONAL MEMBERSIPS

Scientists4Future; International Studies Association; European Consortium of Political Research; German Political Science Association; European International Studies Association; Federation of German Scientists; Environmental Peacebuilding Association

REFEREE WORK

Journal articles: Journal Social and Political Psychology, European Journal of International Security, Climate Risk Management Journal, Interdisciplinary Journal of Central and East European Politics and International Relations, Journal Transnational Environmental Law, International Development Planning Review, Security Dialogue, Critical Security Studies

Book: Palgrave McMillan, Routledge, Springer Anthropocene Hexagon Series

Conference funding: German Foundation for Peace Research

STUDY AND RESEARCH STAYS ABROAD

2023

Research stays are planned in Montreal, Canada and Brussels, Belgium

2019

Research stay, United Nations for the CLISEC UNSC project, New York, USA, 10 days

2018	Research stay, Collège d'Études Mondiales, FMSH, Paris, France, 3 months
2005-2013	Master & Doctoral Study Program, University of the Basque Country, Leioa, Spain, 7 years
2012	Research stay, Environment and Security Initiative (ENVSEC), Regional Office of the United Nations Environmental Program in Europe, Geneva, Switzerland & Brussels, Belgium, 1 month
2011	Research stay, Research Center for Environmental Politics, Freie University Berlin, Germany, 3 months
2010	Research stay, Adelphi Research Institute, Berlin, Germany, 3 months
2004	Study semester, University of Manitoba, Winnipeg, Canada, 4 months
2004	Internship and research project for the bachelor's degree, Universidad Técnica Particular Loja, Ecuador, 4 months

TEACHING AND SUPERVISION

2022	Instruction of the "Multiple Crises PhD colloquium" & contribution to the CMB's Junges Forum „The imaginary in times of crises"
2022	Spring School for Postdocs and PhDs "The Laws and Politics of (In)Security and Social Cohesion. An Interdisciplinary Conversation", CMB, Law & Society Institute Berlin, Humboldt-University, University of Oxford
2015-2016	Courses in Bachelor and Master level, English as instruction language, Eberswalde University for Sustainable Development, Eberswalde, Germany Subjects: Sustainability, Climate Change, Dynamics of Global Environmental Change; International Organizations and Actors in Global Governance; Environmental Ethics; Intercultural Communication; Scientific Writing and Presenting

COLLECTIVES DUTIES

2023	Co-organizer with Dhanasree Jayaram of the online workshop "Climate Change & Security: From Multiple Practice(s) to Reconceptualising Paradigm(s)", CMB Organizer of roundtable "Climate Change & Security: Practices, Confrontations and Futures", CMB, Berlin, funded by the French Embassy Co-organizer with Benjamin Beuerle and Frédéric Graber of the conference series "Environment, climate, energy – an interdisciplinary dialogue" (3 Roundtables and a closing conference between February-July), funded by the French Embassy
2022	Co-organizer with Benjamin Beuerle of the 2 day workshop „Ideas and perspectives for Cooperation: Towards a French-German climate change research network in the social sciences and humanities", Schloß Gollwitz, Germany, funded by the CCC Co-organizer with Benjamin Beuerle of the roundtable "Saving energy, ensuring energy supply in the context of multiple crisis" funded by the CCC

Co-organizer with Gabriel Bartl of the roundtable „The role of imaginaries in Multiple Crises“, as part of the Junges Forum, CMB, funded by the MC Project

Co-organizer with Gabriel Bartl, Research Group Multiple Crises (4 sessions in the course of 2022-2023)

Co-organizer with Gabriel Bartl of the “Multiple Crises PhD colloquium” (4 sessions in the course of 2022-2023)

Co-organizer with Mathias Delori, Nahed Samour, and Valentine Feneberg, Spring School for Postdocs and PhDs “The Laws and Politics of (In)Security and Social Cohesion. An Interdisciplinary Conversation”, CMB, Law & Society Institute Berlin, Humboldt-University, University of Oxford

2021

Invitation and Co-host of the International Climate Protection Fellowship for Dr. Dhanasree Jayaram from the Alexander von Humboldt Stiftung

Co-organizer with Gabriel Bartl of the workshop “Multiple Crises”, 10 invited scientists, CMB, October

Co-organizer with Ignasi Torrent (University of Hertfordshire) “The 'withinness' of multiple worlds: On ethics, politics and violence”; Panel: “Security in the Anthropocene”, Panel on International Relations and the Anthropocene, EISA (Online) Conference, European Studies Association

Organization of a digital lecture with Dr. Franziskus von Lucke “The European Union and Global Climate Justice”, CMB-Seminar Research Focus 1, CMB, Berlin, Germany

Organization of a digital lecture with Ernst Ulrich von Weizsäcker “Unfortunately, the Anthropocene is not sustainable - Can we change it?” (original titel: Leider ist das Anthropozän nicht nachhaltig - Können wir das ändern?), accompanied by a discussion-opening commentary by IRI-THESys Director Jörg Niewöhner and by Judith Nora Hardt, CMB, Berlin, Germany. At: <https://cmb.huberlin.de/zentrum/mediathek/ernst-ulrich-von-weizsaecker-leider-ist-das-anthropozaen-nicht-nachhaltig-koennen-wir-das-aendern>

2021-present

PI of the CMB-Research Team within the Climate Change Center Berlin Brandenburg

2020- 2022

Co-organizer of the Central Interdisciplinary Research Seminar, CMB

2020-2021

Elected member of the Members Assembly, CMB

2019-2020

Organization and coordination of the CLISEC UNSC Network: a Supervisory Group, a Scientific Support Network of internationally re-known scholars, partner scientists and reviewers from 15 different countries that corresponded to the 2020 UNSC member states. In total the project was supported by a network of 46 scholars, coming from different disciplines, At: https://ifsh.de/file/research/project_documents/20200618_Overview_Partner_Scientist_Clisec_UNSC.pdf

- 2019 Co-organizer of the Session “Climate Extremes and Security”, Herrenhausen Conference *Climate Extremes*, At: https://climate-extremes-emergent-risks.org/hkextremes2019/hkextremes2019_sessions/

SCIENTIST FOR FUTURE PROJECTS

- 2023 Co-author of S4F paper “The energy transition as a response to climate crisis and war: Recommendations for resilience building and peacekeeping in Europe” (original title: Die Energiewende als Antwort auf Klimakrise und Krieg: Empfehlungen zur Resilienzstärkung und Friedenssicherung in Europa”
- 2021 Co-author of Hagedorn, Gregor et al. “Scientists for Future recommends a representative climate citizens’ meeting in 2021”, At: <https://zenodo.org/record/4311486>
- 2020 Co-author of Baumann, Franz et al. “Statement by Scientists 4 Future (S4F) regarding the ‘Demands of Fridays for Future Germany to the German Representatives in the EU’”, At: <https://www.scientists4future.org/statement-fff-demands-on-eu/>
- Hardt, Judith Nora and Fopp, David Coordination of the “Statement of the Scientists for Future on the current draft for a European climate regulation”, At: <https://www.scientists4future.org/statement-scientists-for-future-current-draft-for-a-european-climate-regulation/>
- 2019 Hardt, Judith Nora; Steinberger, Bernhard; Bürger, Patrick and Rau, Sebastien Coordination of the Video “A call to politics” (original title “Aufruf an die Politik”), 9 minutes, contribution from 133 German speaking scientists. The video transports the S4F-Statement, which was signed in May 2019 by more than 26.000 scientist and includes a contribution from Greta Thunberg. It was released on Youtube and in several cinemas in Germany, Austria and Switzerland.
The trailer was klicked more than 230.000 times, At: <https://twitter.com/sciforfuture/status/1173850852043440131>.
The Youtube-Video, At: <https://www.youtube.com/watch?v=4ZYh0aTSvBA&pp=QADQAwE%3D>

SELECTED CONFERENCE, WORKSHOP AND SEMINAR PRESENTATIONS (2018- 2023)

- 2023 Paper presentation “Contrasting Climate Security Approaches of the European Union with Climate and Earth System Sciences”, Climate and Security Workshop, University of Durham, Durham, UK
- Joint kick-off event to explore knowledge exchange cooperation between the Federal Foreign Office and the Berlin University Alliance, part of the BUA research priorities “Climate, Peace, Security”, German Federal Foreign Office, Berlin, Germany
- 2022 Input presentation at the „Kick-off event for the dialogue process: The Federal Government's foreign climate policy strategy“, Deutsche Gesellschaft für Auswärtige Politik, Berlin, Germany
- Paper presentation together with Adrien Estève “Climate Security at the Extremes: Comparing French and Indian Approaches in the United Nations Security Council” at

the workshop "Climate Security. Toward a critical conceptualization", Hamburg, Germany

Podcast "Activism in Science – Is it possible?" (original title: Aktivismus in der Wissenschaft - Geht das?) (Folge #08) BR 50, Naturkundemuseum at: <https://www.br50.org/podcast/episode/aktivismus-in-der-wissenschaft-folge-08>

2021

Paper presentation "Climate Crisis: What is at stake for Security? (original title: Crise climatique : quels enjeux pour la sécurité?), Colloque du Centre FrancoPaix, Montreal, Canada

Paper at the international conference "From a Climate-Security Nexus of Conflicts to a Nexus of Synergies. Climate change action for peacebuilding and human security", Research Group Climate and Security (CLISEC), Hamburg, Germany

Part of the podium „Transnational scientific work in the context of climate protection“, BMBF-Project „Wissen Entgrenzen“, Max Weber Stiftung, CMB, Berlin, Germany

Discussant at the panel "Anthropocene Securities: Recollections and Reflections 50 Years After the Stockholm Conference on the Human Environment"; Paper presentation "The United Nations Security Council at the brink of (socioecological) Change" at the Panel, Climate Change and Security beyond the state, International Studies Association Conference (ISA), Las Vegas, USA (online)

Chair and discussant of the lecture by Dr. Franziskus von Lucke "The European Union and Global Climate Justice", CMB-Seminar Research Focus 1, CMB, Berlin, Germany

Discussant at the session "Epistemology of Scarcity: Resources, Environment and Conflict", Association pour les Études sur la Guerre et la Stratégie (Association pour les Études sur la Guerre et la Stratégie), (online)

2020

Paper "Climate change in security perceptions, conceptions and practice at the United Nations Security Council", and "Contested Natures: Power, Possibility, Prefiguration"; Panel "Geopolitical Ecologies of Violence and Resistance", Third Biennial Conference of the Political Ecology Network (POLLEN20)

Paper "A Climate for Change in the UNSC? Mapping the member state's approaches to the climate-security nexus", Panel "Mapping and Explaining International Organizations in Global Climate Governance: Adaptation and Mitigation", 14th European Consortium of Political Research (ECPR) General Conference

2019

Paper "Peace and Conflict Studies at the Edge of Transformation" and "The role of climate change in security conceptions at the UNSC", Environmental Peacebuilding Conference, Irvine, USA

Invitation to the workshop "Including Future into Politics"; Paper "Zukunftsrunden. Proposal from the Scientists for Future", Institute for Advanced Sustainability Studies (IASS), Potsdam, Germany

Paper "Planetary security: between conceptual approaches, practice and expertise", European Workshop in International Studies, Krakow, Poland

Invitation to the expert workshop "Climate-related security risks", Stockholm International Peace Research Institute, Stockholm, Sweden

Paper "From practice to theory: a critical cartography of institutional approaches to climate security", International Studies Association Conference (ISA), Toronto, Canada

2018

Paper "Ethics of/for the future Viability of Society: a future vision for the German Ethics Council", DAAD Conference: Envisioning the Future for Germany and Europe, Berlin, Germany

Paper "Between planetary boundaries and the SDGs" & Paper "Complementing Critique with Affirmation", European International Studies Association (EISA), Prague, Czech Republic

Invitation to the workshop "Climate Change and Conflict in the Pacific", University of Otago's Auckland Centre, Toda Peace Institute, New Zealand

Paper "Critical analysis of environmental security in the Planetary Security Initiative," European Consortium of Political Research (ECPR), Hamburg, Germany

Paper "Environmental security in the Anthropocene: between boundaries and normative pathways", Conference: The Right Use of the Earth, École Normal Supérieur, Paris, France

Joined paper with Scheffran, Jürgen; Froese, Rebecca and Schilling, JanPeter "Environmental Security, Resilience & Sustainable Peacebuilding", 24th International Sustainable Development Research Society Conference, Messina, Italy

Workshop of the German-French research network, Project "Changing Societies: New Frameworks for Modern Societies", Berlin Social Science Center (WZB), Germany

Book presentation "Environmental Security in the Anthropocene: Assessing Theory and Practice", Seminar at the Collège d'Études Mondiales (FMSH), Paris, France

Berlin Workshops in Institutional Analysis of Social-Ecological Systems, Humboldt-University Berlin, Germany
